

Stickers and bins

We have produced a selection of stickers to make recycling prettier and easier. Prices are R15 for an A6 sticker and R20 for an A5.

We have also had some indoor recycling bins made from used Tetrapaks. They look great (as you can see) and sell for R140 each. You can see both the stickers & bins on display at the Green Overall.

Women of Valour and WESSA

Louise and Laura were delighted to receive a 'Women of Valour' Award for 'making a difference' from St Nicholas' Anglican Church. We had a lovely afternoon and met some amazingly innovative and inspiring women.

We were also honoured to receive a WESSA Regional Award 'in recognition of our pioneering efforts in recycling and job creation'. We were very sorry to miss out on the celebrations, but were admirably represented by one of our longest-serving team members, Innocent Gumedede.

Green Overall

The Green Overall in Sunridge Village has hit the ground running following its recent opening. They are showcasing lots of green products and services so do go and have a look. At the Greencycle display you can find pre owned stationery so go there to stock up with files, file dividers, plastic sleeves and other bits and pieces. Save some money while saving resources. You will also be able to view and buy our stickers and Tetrapak bins, as well as extra recycling bags if you have run out.

Books

We have lots of old text books, set work books and various others that Louise and Laura cannot bear to send for pulping. If anyone would like any of them we sell all books for R2.00 each.

Christmas

Early warning regarding Christmas collection days: We will be open and operate as normal on Monday 24th December. We will then be **closed from Tuesday 25th December to Monday 31st December inclusive**. On Tuesday 1st January 2013 (eek!) we will collect from Walmer customers only, starting collections at 10am (to allow the babalaas to clear before you have to haul all those bottles to the kerb). If you have fortnightly Tuesday afternoon collections, you will receive individual emails informing you of Christmas timings. Again, please help us by letting us know if you will be away at all over the Christmas period.

Finally..... thank you to Organic Footprints & The Happy Body Co for their ongoing support and like-mindedness.

Confidential Document Shredding Charges have increased slightly as follows:

For shredding done at Greencycle: R1.95 per kilo, and

For shredding done at your premises: R153 for the first hour and R47 for each subsequent hour

Shredding Box charges, for a locked box at your premises, remain unchanged
